My dear Friend

Will thou kindly allow
me to introduce Madame Vizcarrondo
the wife of our much esteemed friend
Julio de Vizcarrondo the Hon.ᵈ Secretary
and the soul and main stay of the
anti Slavery Society of Madrid —

She enters deeply into the labours
of her esteemed husband and will
probably as part of her mission urge
the importance ~~of~~ service which the United
States might just now render to the
cause both in Cuba & the Brazils —

The abolitionists in both those Countries
are engaged in an unequal struggle &
have the strongest claim upon our
sympathy & help — Having so recently

had the pleasure of seeing Miss Reed
of relieving my mind a little on this
subject I must not add more—

Any service rendered to
Madam Bazzards will be very much
obliged me

I am respectfully
& very sincerely thine
Joseph Cooper
